

ASAP Drytop Extra™

Multi-function sheet (120 cm x 140 cm)

Article Number: 88011303

ASAP Drytop Extra™ is the underlay of the future, developed as an environmentally friendly and sustainable alternative to traditional plastic and textile solutions.

The product combines very high absorbency with high lifting strength, without compromising the environment. Equipped with a coloured barrier layer of bio-film, the product is both waterproof and breathable.

ASAP Drytop Extra™ is a universal, multipurpose sheet designed for stretchers and beds and is also used as an incontinence sheet.

1

MULTI-FUNCTIONAL

All-in-one solution simplifies work processes and logistics.

2

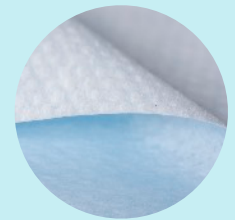

SUSTAINABILITY

Protects the environment, reduces costs throughout the whole life cycle.

3

HYGIENE

Actively prevents contamination by ensuring complete control of spills.

Thickness: 0.7 mm
The special fiber combines instant absorption with high lifting strength.

Absorption: 10 l/m²
High and lightning fast absorbing ability helps avoid spills.

Tape fastenings
Along the sides of the bed sheet there are tapes to attach the sheet to the underlay or to fold to make collection pouches.

	Value	Unit	Description
