

ASAP Jona 200™

Multi-function sheet (140 cm x 245 cm)

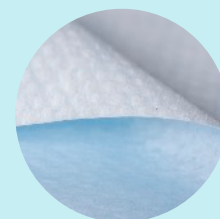

Article number: 86011201

ASAP Jona 200™ is the underlay of the future, developed as an environmentally friendly and sustainable alternative to traditional plastic and textile solutions.

The product combines very high absorbency with high lifting strength, without compromising the environment. Equipped with a colored barrier layer of bio-film, the product is both waterproof and breathable.

ASAP Jona 200™ is a universal, multi-use sheet developed for stretchers and beds which is also used for moving patients or as a wrap.

Thickness: 0,7 mm
The special fiber combines instant absorption with high lifting strength.

Absorption: 10 l/m²
High and lightning fast absorbing ability helps avoid spills.

Tape fastenings
Along the sides of the bed sheet there are tapes to attach the sheet to the underlay or to fold to make collection pouches.

1

MULTI-FUNCTIONAL

All-in-one solution simplifies work processes and logistics.

2

SUSTAINABILITY

Protects the environment, reduces costs throughout the whole life cycle.

3

HYGIENE

Actively prevents contamination by ensuring complete control of spills.

	Value	Unit	Description
Width	140	cm	
Length	245	cm	
Weight	430	g	
Absorption capacity	25	liter	Up to 10 liter water per sqm
Lifting strength	High	High/Medium/Low	Moving a standard sized adult
Odor controll	Yes	Yes/No	
Breathable	Yes	Yes/No	
Top Surface	Non-woven	Type	White with dotted texture
Bottom Surface	Bio-film	Type	Blue
Inner Package	Yes	Yes/No	Transparent PE-film
Quantity per box	15	Pcs	
Box weight	7	kg	
Box dimensions	30 cm x 40 cm x 37 cm
